All students must pre-register. Please see the registration form on the last page.

Pricing Information with Special Discounts

Early Birds (A) and Later Birds (E) sessions are \$35 each per week. Classes in B,C, and D Blocks are \$60 each per week. Special Discounts apply to taking multiple classes or for families with more than one child enrolled: Two classes per week = \$55 per class. Three classes per week = \$50 per class.

Attend all sessions A-E for the discounted price of \$200 for the week.

Families with more than one child enrolled in the same week may take 10% off of the total bill.

Adventures Beyond

\$60/week

A unique recreational experience for students with special needs - including crafts, games, cooking, music, exercise, field trips and more. For ages 13-22. Please call or email for more information!

Weeks 1 - 8: June 12 - Aug 4
 Mon - Fri: 9:30 AM - 2:30 PM

Extended hours available until 4:30 daily for additional \$20 per week!

Important Information

- All students must pre-register. Please see the registration form on the last page.
- Most classes are limited to 15 students, so please register early!
- The day is divided into five blocks, A (6:30-8-30); B (8:30-10:30); C (11:00-1:00); D (1:30-3:30) and E (3:30-5:30)
- Students taking more than one class are invited to bring a snack and relax in between blocks. Students that are with us at lunchtime are invited to pack a lunch. Supervision will be provided!
- If you sign up for 1-2 classes and they do not fill, we will do our best to place your child in another class.

Early Birds (A) Information

Early Birds (Block A) is an extra period provided for those parents who have to be at work first thing in the morning. This time features a light morning snack and leisure activities.

Later Birds (E) Information

Later Birds (Block E) is an extra period provided for parents who are busy until later in the afternoon. Students have structured down-time featuring crafts, games and leisure activities.

Pricing Information with Special Discounts

Early Birds (A) and Later Birds (E) sessions are \$35 each per week. Classes in B,C, and D Blocks are \$60 each per week.

Special Discounts apply to taking multiple classes or for families with more than one child enrolled:

- Two classes per week = \$55 per class.
- Three classes per week = \$50 per class.

Attend all sessions A-E for the discounted price of \$200 for the week. Families with more than one child enrolled in the same week may take 10% off of the total bill.

Examples:

- (1) Family A has one child taking 2 classes. Cost per class would be \$55.
- (2) Family B has two children each taking 1 class in a week. Cost per class would be discounted by 10%

1st-3rd Grades

Week 1: June 12-16

Super Champs

Block B, 8:30-10:30

Fly away and save the day with your favorite superheroes. Design and become your own superhero to save the day!

Bake That!

Block C, 11:00-1:00

Learn basic cooking and baking skills! Spend the week turning ordinary treats into masterpieces!

Treasure Hunters

Block D, 1:30-3:30

Treasure! That is what we'll find. Take a journey through time and visit some of the most famous treasure hunters. Learn about mysterious, unsolved adventures.

Week 2: June 19-23

Kids in the Kitchen

Block B, 8:30-10:30

Who says only adults can be in the kitchen? Spend a week learning how to bake and cook like a pro.

We Love Disney!

Block C, 11:00-1:00

Spend a week with all your Disney friends. Have fun bringing all your Disney friends to life in a fun filled week.

Buggin' Out

Block D, 1:30-3:30

Eight legs, four legs, twelve legs!?! Bugs, bugs, and more bugs in this class! You will take nature walks, do bug related crafts and much more! All while learning about these interesting, creepy, crawling creatures.

Week 3: June 26-30

Inventors' Workshop

Block B, 8:30-10:30

Ever wonder what it is like to make your own invention? Maybe you want to be like Thomas Edison and invent the light bulb? Or maybe like Markus Persson who created the Minecraft characters! In the Inventors' Workshop, the possibilities are endless. By the end of the week you will have turned your very own idea into an awesome invention!

A Week At Hogwarts

Block C, 11:00-1:00

Calling all witches and wizards! Spend the week with Harry, Ron and Hermione at Hogwarts. Learn spells, make potions, and play a game of Quidditch.

Weird Science

Block D, 1:30-3:30

Time to make crazy experiments. Mix together different substances and see what reactions can happen. Kid scientists are the best!

Week 4: July 3-7

Wild, Wild, West Block B, 8:30-10:30

Giddy Up! Let's saddle up and ride through the Wild, Wild, West! Learn about American Indians, folklore, cowboys, the gold rush and outlaws! Ya'll will have a rootin' tootin' time!

Melt in Your Mouth Block C, 11:00-1:00

Cookies, cakes, and cupcakes! These yummy treats melt in your mouth! You get to learn how to make these tasty treats yourself - what could be better!?

The Great Outdoors Block D, 1:30-3:30

Lace up your boots and pack your bag! Let's venture into the great outdoors. Learn about forest animals, go on scavenger hunts, create cool art from nature and sing camp-fire songs.

Week 5: July 10-14

The Water Games Block B, 8:30-10:30

Come compete in the water games! This isn't your normal competition. There will be lots of your favorite outdoor games with a twist. WATER! Make sure you bring a change of clothes because you will not leave dry!

Sweet Treats Block C, 11:00-1:00

Chewy, gooey, chocolate and fruity! Learn to make snacks and desserts that fit everyone's taste buds!

Gymnastics Block D, 1:30-3:30

Learn to jump, tumble, and flip just like the pros! Gymnastics is fun for everyone!

Week 6: July 17-21

Futuristic Fun! Block B, 8:30-10:30

Time to take a ride in the YDC time machine and see what the future is like. In this class you will create your own world 100 years from now!

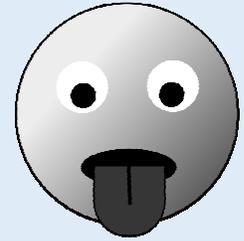

Messy Art Block C, 11:00-1:00

Explore the world of wild and wacky art using some unconventional methods! If silly, gooey, slimy, and messy are your styles, then this class is for you. We will use everything from paint to papier-mâché to food, in order to create masterpieces.

Pirate's Life for Me! Block D, 1:30-3:30

Ever want to be a pirate? Well here is your chance to experience what a pirate's life is really like. Will you be able to walk the plank?

Did you know?

- The average human dream lasts only 2 to 3 seconds.
- The chameleon has a tongue that is 1.5 times the length of its body!
- The fastest bird is the peregrine falcon. It can fly at a speed of 168-217 miles per hour.

Week 7: July 24-28

Legos, Legos, Legos Block B, 8:30-10:30

Who doesn't love Legos?! In this class you will get to build, create, and explore in the world of Legos. Make all sorts of Lego crafts and show off just how much you love Legos!

Summer Olympics Block C, 11:00-1:00

It's time for the YDC Summer Olympics. Compete in different categories and learn all about the Olympics. Will you take home the gold?

Barnyard Palooza Block D, 1:30-3:30

Oink! Moo! Baa! Neigh! Create your own barn for a week. Learn everything you need to know about being a farmer and keep those barnyard friends happy!

Week 8: July 31-August 4

Under the Sea Block B, 8:30-10:30

What's deep down in the oceans of the world? Find out in our deep sea adventure class. You'll have a great time swimming with the fishes.

Turtle Power! Block C, 11:00-1:00

Raphael, Donatello, Leonardo, and Michelangelo are waiting for you to join them in saving the city! Enter into the world of Teenage Mutant Ninja Turtles and learn how you can be just like them.

Going Green Block D, 1:30-3:30

Reduce, Reuse and Recycle. Learn all about how you can save the Earth one step at a time with cool ways to recycle and reuse.

4th-6th Grades

Week 1: June 12-16

A Week at Hogwarts Block B, 8:30-10:30

Calling all witches and wizards! Spend the week with Harry, Ron, and Hermione at Hogwarts. Learn spells, make potions, and play a game of Quidditch!

Messy Art Block C, 11:00-1:00

Explore the world of wild and wacky art using some unconventional methods! If silly, gooey, slimy, and messy are your styles, then this class is for you. We will use everything from paint to papier-mâché to food, in order to create masterpieces.

Weird Science Block D, 1:30-3:30

Time to make crazy experiments. Mix together different substances and see what reactions can happen! Kid scientists are the best!

Week 2: June 19-23

Passport to Adventure Block B, 8:30-10:30

Grab your passports - it's time to travel the world. Paris, Australia, China - who knows where you can end up!

Art in the Kitchen Block C, 11:00-1:00

Make beautiful works of art with food. Learn how cooking can be just as pretty as painting a picture.

All Ball Block D, 1:30-3:30

Let's have a ball! From traditional basketball, bocce ball, and ping pong to juggling, broom ball, and much more! What games can you create using a ball?

Fun Nature Fact!!!

Trees! Trees! And more Trees!

There are about 750 types of trees in North America and about 100,000 in the world

Week 3: June 26-30

What's for Breakfast? Block B, 8:30-10:30

Let's make a breakfast feast! Pancakes, eggs, and bacon! Anyone who has a great breakfast creation, please share!

Yeah, I Made That! Block C, 11:00-1:00

Make cool art with duct tape, sand, plastic, pop tops and more! How crazy and creative can you get?

Renaissance Fair Block D: 1:30-3:30

Princesses! Knights! Kings! Queens! Come to the Renaissance fair and you can be any of these. Make swords and shields and have an EPIC battle or be a pretty princess with your awesome new crown.

Week 4: July 3-7

The Game Room Block B, 8:30-10:30

Come join us for a variety of fun games! Play card games, board games, video games, game show challenges, paper & pencil games, and playground games! Games rock!

Caught in a Moment Block C, 11:00-1:00

Snap! Snap! Take pictures of all sorts. Learn how to edit and decorate your pictures. You will have an awesome scrapbook by the end of the week!

Top Chef Block D, 1:30-3:30

Want to experience different cooking methods? Here is your chance to experiment with different ingredients, use a variety of kitchen tools, follow recipes and produce some one-of-a-kind dishes!

Week 5: July 10-14

Brain Food Block B, 8:30-10:30

Take the fear and mystery out of cooking. Learn kitchen safety, food handling, food preparation, basic cooking and baking skills. Let the fun begin!

Summer Olympics Block C, 11:00-1:00

It's time for the YDC Summer Olympics. Compete in different categories and learn all about the Olympics. Will you take home the gold?

Star Wars Extravaganza Block D, 1:30-3:30

Let the force be with you. This is a place where good battles evil and the destiny of the universe hangs on your shoulders. Spend all week preparing to restore good to the galaxy. Make starships, light sabers, and sweet costumes.

4th-6th Grades, Continued

Week 6: July 17-21

Sculpt It **Block B, 8:30-10:30**

Sculpting is fun. We sculpt with clay, food, play dough - even recycled material. The possibilities are endless!

Pokémon Training **Block C, 11:00-1:00**

Do you want to be the very best? Create your own Pokémon and battle them with your teammates. Ash better watch out!

Sweet Treats **Block D, 1:30-3:30**

Chewy, gooey, chocolate and fruity! Learn to make snacks and desserts that fit everyone's taste buds!

Week 7: July 24-28

Time Travelers **Block B, 8:30-10:30**

Let's jump in the YDC time machine and go back in time. Cavemen, dinosaurs, ancient Egypt - the options are endless!

Going Green **Block C, 11:00-1:00**

Reduce, Reuse and Recycle. Learn all about how you can save the Earth one step at a time with cool ways to recycle and reuse.

Splish, Splash, Water Games **Block D, 1:30-3:30**

Water, water, and more water! Play all different kinds of games involving water. Make sure you bring extra clothes because this is one wet adventure.

Week 8: July 31-August 4

Space Camp **Block B, 8:30-10:30**

Ever wonder what is out there? Learn all about aliens, black holes, and constellations. It just keeps going to the infinity and beyond!

Legos, Legos, Legos **Block C, 11:00-1:00**

Who doesn't love Legos?! In this class you will get to build, create, and explore in the world of Legos. Make all sorts of Lego crafts and show off just how much you love Legos!

A Week at Hogwarts **Block D, 1:30-3:30**

Calling all witches and wizards! Spend the week with Harry, Ron, and Hermione at Hogwarts. Learn spells, make potions, and play a game of Quidditch!

I'm Just Saying!

The Human Body

- How much water is the human body? The human body is made up of 60% water! No wonder you float in water!
- The width of your arm span stretched out is the length of your whole body.

7th-9th Grades

Week 1: June 12-16

What's For Breakfast **Block B, 8:30-10:30**

Let's make a breakfast feast! Pancakes, eggs, and bacon! Anyone who has a great breakfast creation, please share!
